I wanted to take this opportunity to thank the entire Pro-Liquitech Team for all you have done for Chiquita Brands, Inc. over the many years, but especially the last three when I have had responsibility for the beverage division. Your organization's tireless efforts towards excellence and commitment are an example we all learn from. Chiquita has undertaken a major Corporate Responsibility Initiative over the past 18 months whereby we have been challenged to evaluate our vendors/suppliers practices (e.g., above board, corporate and civic minded, ethics). The template or example I use for my division as we review our relationships is Pro-Liquitech.

Your honesty, integrity and work ethic as an organization is consistently evident each and every day. The term "Partnership" is overused in today's environment yet it embodies the essence of Chiquita's relationship with Pro-Liquitech. Your organization has done everything from beverage concept development to making buying calls with Chiquita sales personnel. In every instance, Pro-Liquitech has been honest with Chiquita even when we did not like what you had to tell us. For that, your organization will always have my utmost respect and gratitude.

I look forward to working with Pro-Liquitech for many, many more years.

GOOD LUCK & GOOD SELLING!

Mike
